Enrollment Application

Facilitated By Seasoned Technology Business Entrepreneur and Consultant's Coach,
George Sierchio

New Groups being formed for the following levels to start mid to late July 2008:

Major League Group (30 member max)

All-Star Group (20 member max)

MVP Group (15 member max)

These groups will be focused on marketing, sales, business management, productivity, employee/subcontractor issues and business value building. Basically anything in your technology based business that is effecting your time, wallet, and personal life.

Keep in mind that these are very open and honest groups, which is necessary to really get to the root of any issues. Whatever happens here, stays here. No exceptions!

GEORGE'S PERSONAL GUARANTEE OF VALUE...

You must know how confident I am that you will be ecstatic with your experience.

Participate in the first 30 days of your first Mastermind & Implementation Group and if for some strange, odd, never-been-heard-of-before reason you are not 100% satisfied and do not agree it's a valuable experience you want to continue with, you may drop out immediately, pay nothing further, and receive a FULL REFUND of your first payment.

After that, everyone in the group will expect your full commitment to them and yourself.

What could be fairer than this? No questions, no hassles, no hard feelings after the first 30 days! You MUST be completely satisfied! If not, I don't want you to be a part of the group. So, don't delay.

Complete and fax back the Detailed Application and find out if you are in! Fax back ASAP to 1-866-321-1454. Applications will only be accepted through July 10th, 2008 for the newly forming groups.
